BIOGRAPHY

DENNY SCHNEIDER,

President

Alliance for a Regional Solution for Airport Congestion

Denny Schneider's professional experience includes 24 years as a staff scientist and aerospace Programs Manager overseeing multi-million dollar programs. He has both technical and business degrees. He also has 25 years in multilevel marketing where he and his wife, Nan, built a 1000 person sales organization.

Denny is strong into community involvement. Current positions include: President, Alliance for a Regional Solution to Airport Congestion (ARSAC); Participant, LAX Specific Plan Amendment Committee (2005 LAX legal challenge settlement calls for working with LAWA to update Master Plan.); Past President, Board member and Airport Affairs Chair, Westchester Neighbors Association; Vice Chairman, LAX-Community Noise Roundtable; Board member, Neighborhood Council Westchester-Playa del Rey (and Westside Area Representative to the L.A. Mayor for Budgets), Executive Board member, Valley Vote; Member, DWP Integrated Resource Planning for Water; Secretary, 51st AD Republican Central Committee, and active participant/volunteer for LAX-Coastal Chamber of Commerce, Asthma and Allergy Association of America, and South Bay Lincoln Club. He has received state recognition for his work with the California PTSA, Kiwanis, and Air Force Association. Prior to helping initiate his local neighborhood council he spent three years on the Westchester-Playa Del Rey Community Plan Update Committee.
