

MAYOR BOB FOSTER CITY OF LONG BEACH

May 2010

Greetings Attendees of 2010 World Trade Week:

On behalf of the City of Long Beach, it is a pleasure to recognize the 84th Anniversary of World Trade Week and its national Southern California observance. This tremendous event promotes the Long Beach and Los Angeles Ports, their expanding economies and increasing international trade.

This year, the Chair of World Trade Week is Kaylynn Kim and with her help, this month's events will provide an opportunity to recognize the many benefits of free and fair trade. During World Trade Week, we illustrate our commitment to developing and implementing trade policies that create new opportunities while continuing to promote global economic growth.

Celebrating great achievements in international trade and raising awareness about its importance to Southern California, World Trade Week has made a positive and lasting impact on our business market. I want to congratulate the members of the World Trade Week Southern California Committee for their important efforts to address trade issues.

I want to welcome everyone to World Trade Week and extend my best wishes for a fantastic month of events.

Warm Regards,

Mayor Bob Foster
City of Long Beach
