Neelam Gupta LA Health Action

Ms. Gupta brings over 15 years of experience working with nonprofit, collaborative organizations to LA Health Action. She served as the first program manager for the Valley Care Community Consortium, the health and mental health planning body for the San Fernando and Santa Clarita Valleys of Los Angeles County. In this role, she worked on research and projects to improve the local safety-net health care delivery system with key stakeholders representing diverse disciplines. More recently, she provided fund development and strategic planning services for several health and social service agencies.

Ms. Gupta received dual Masters Degrees from UCLA in Public Health with a concentration in Health Policy and Management and in Social Welfare with an emphasis in Gerontology where she was awarded the Harry Wasserman Prize for Community Service.
