TOM SKANCKE
PRESIDENT AND CEO
INNOVATIVE COMMUNICATIONS GROUP

Tom Skancke is President and CEO of The Skancke Company, a lobbyist/advocacy solutions oriented service group. Tom was appointed by Senator Harry Reid to the 12 member National Commission of Surface Transportation Funding as established in 2006 as a result of the SAFETEA-LU reauthorization legislation. The Commission is to make recommendations to address the pending financing crisis in national surface transportation funding.
