

## Room Rentals

Host a meeting or event at the  
L.A. Area Chamber

A better L.A. is our business

The Los Angeles Area Chamber of Commerce offers excellent meeting accommodations. Conveniently located three blocks west of the 110 Harbor Freeway, the L.A. Area Chamber provides everything for a successful meeting.

With a variety of rooms equipped with audio and video systems, a full kitchen and an underground parking garage, the Chamber building is available for small business meetings or full-day training seminars with several rooms for break-out sessions. We also have an impressive board room, ideal for executive business meetings, and a beautiful outdoor terrace, adorned with a water sculpture background for private receptions. Our sky-lit lobby features marble accents and provides an elegant setting for business receptions.

The Chamber also offers affordable downtown parking at a flat rate of \$12 per day. For more information on room reservations, call 213.580.7517.

All before and after hour rentals are subject to a \$50 per hour labor surcharge and an \$85 per hour utility surcharge. Weekend rentals are subject to a four hour minimum surcharge.

The Chamber offers a discounted package for businesses that need space to host an event and want help promoting it. The Event Promotion Package provides resources to market an event to area businesses and allows businesses to host the event in a Chamber building rental room.

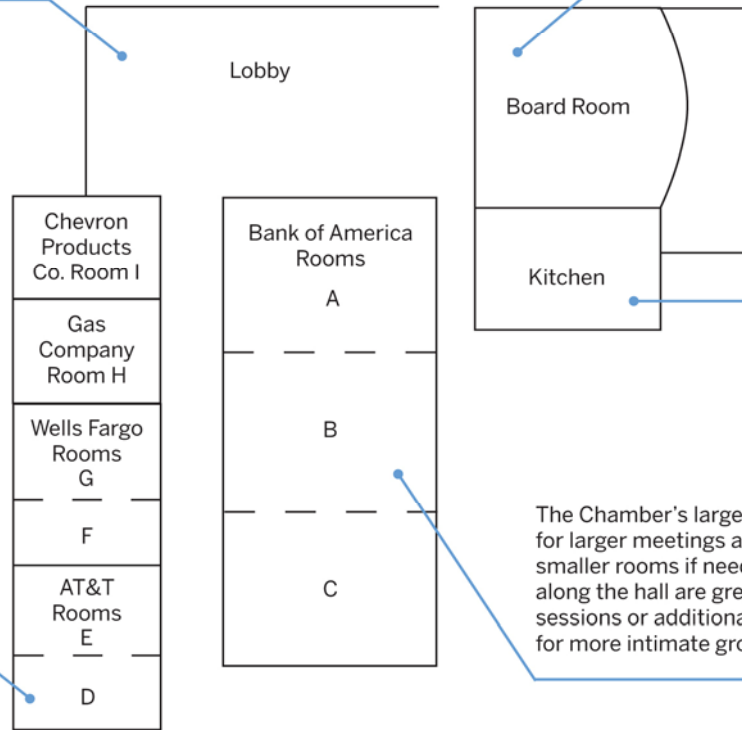

The atrium lobby is a great space to hold receptions. The lobby's 50 foot ceiling gives it a very grand appearance and it includes a marble counter that easily converts into a service bar. Half of the lobby is surrounded by second floor balcony that creates many layout options for receptions.

Impress your guests by using the Chamber Boardroom for your next meeting. It includes a four-pronged table that seats 70 in large leather chairs. Open the curtains and view the skyline.

For smaller meetings, the Chamber has a number of rooms that can fit your meeting needs

The Chamber's largest room is perfect for larger meetings and divides into three smaller rooms if needed. Smaller rooms along the hall are great for breakout sessions or additional rooms can be used for more intimate group settings.

The Chamber's warming kitchen is available for food preparation and service.
